## The Professionally Managed Investment Casting Foundry

# THE COMPANY

The seeds of Rajan Techno Cast Pvt. Ltd. were sown in 1992 by Mr. Parshottambhai Patel, with a production capacity of 20 Tons of Lost wax Investment Castings per month. Since then we have progressed exponentially and today the company produces 125 Tons of Lost Wax Investment Castings per month. Till now we have developed more than 2000 components applicable to a wide range of Industries and today we are one of the largest manufacturers of Lost Wax Investment Castings in INDIA.

Today RTCPL group is lead by Mr. Dushyant Patel.

This success and continuous growth was only possible because of our commitment to produce best quality Investment Castings with on-time deliveries to our customers.

RTCPL is ISO/TS 16949 Certified

Today RTCPL has team of well qualified and professional engineers, technicians and workers to satisfy customer requirements.

### Vision :

We shall strive to be leaders in this business by offering products of a world class quality, and through constant technological innovation. We understand the needs of our customers and shall stay focused on them by offering them products, service and solutions of the highest quality.

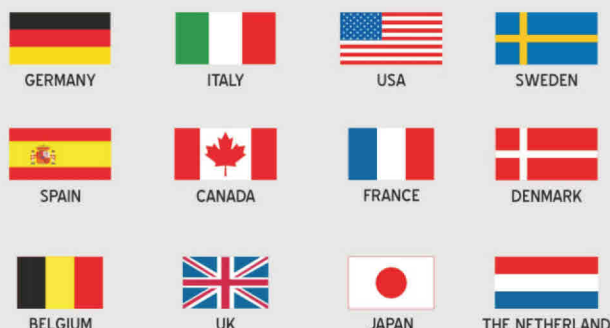

### Mission :

- To develop long-term business relations with its customers.
- Poised to be Global Investment Casting manufacturer.
- To grow steadily and becoming profitable gradually.

### Our Strength :

- On time delivery • Superior Investment Castings quality adhering to various international standards • Flexibility in planning and development of Samples with shorter lead time • Continuous training of our engineers and technicians for improved efficiency and quality workmanship

RTCPL exports Precision Lost Wax Investment Casting to Germany, Italy, USA, Spain, Canada, France, Belgium, UK, Japan, Denmark and Sweden.

Production In Tons Per Year
